### LIVE THE LITURGY *Inspiration for the Week*

It's important to keep our eyes open. Otherwise, we can easily dismiss things that truly require our attention. Whether it is someone needing care, a wrong that must be rectified, an injustice that must be addressed, or someone in need of a helping hand, the lens through which we view life (and even the rules by which we live) can prevent us from stopping and acting. We can miss daily opportunities to show mercy. We often fail in our duty to be a good neighbor. The pain of the world is our pain. All we have to do is open our eyes and carry it out.
