32nd Sunday in Ordinary Time

It's Vocation Awareness Week!

As Catholics, we firmly believe that God has a plan for our lives. He calls some to marriage, some to priesthood, and others to religious life or to live as single people. Fully living our own vocations, and teaching young people how to discern God's call, is a serious duty, but also a joyful one. During this week, please encourage the young people in your life to be open if God is calling them.
